Every effort will be made to place you in another session or you can elect to be placed on a waitlist. All sessions are filled on a first-come-first-served basis.

Session Cancellation Policy

If you wish to cancel, you must notify the Wayzata Community Sailing Center in writing (by email or US mail) at least two weeks prior to the start of the session to receive a refund. There will be no refunds given after that time. All refunds are subject to a \$30 cancellation fee.

Session Transfer Policy

If you wish to transfer your registration from one session to another, we would be happy to accommodate your request. All transfers are subject to an additional charge of \$10 to cover account fees.

Weather/Illness Cancellation Policy

Classes will not be cancelled due to weather. When poor weather conditions occur, indoor sailing related activities will be put into practice. Refunds or make-up classes will not be given due to weather or classes missed due to illness or injuries.

Life Jackets and Swimming Abilities

Students will be required to wear their lifejackets while on the docks, in the water and aboard boats during class time. Swimming skills are not required but are recommended.

Children must be comfortable in and around water. Depending on the age of the student and weather conditions, WCSC will conduct a water check out with life jackets on the first day of class. This will allow the staff to check the comfort level and abilities of each student. The staff will also conduct a water orientation with a sailboat in order to teach self-rescue techniques.

Student Conduct

Students are required to follow the WCSC code of good conduct. Respect for fellow students, safety equipment and the facility are paramount. When behavioral problems arise, every effort will be made to resolve the problem. If it is repeated or is serious, a WCSC staff member will contact the parent. There are no refunds for expulsion from WCSC for behavioral problems.

What Students Should Bring

- 1) Lunches are not provided for students and are not available for purchase. Students who participate in full day classes must bring their own sack lunch. Beverages are available for purchase.
- 2) Snacks are a good idea for students to bring to any class. Snacks should be nutritious and provide an energy burst. Snacks high in sugar should be avoided.
- 3) Students are required to provide their own lifejacket. Life jackets must be US Coast Guard approved and fit properly.
- 4) Water compatible shoes must be worn at all times, ideally shoes will be easily fastened. Velcro-fastened sandals, sailing boots and aqua socks are acceptable.
- 5) Sailing is a water sport and sailors should expect to get wet. Students should wear swimsuits to class. A warm dry change of clothing, windbreaker, towel, hat, sunscreen, sunglasses and a water bottle are also highly recommended and should be stored in a duffle bag or backpack. Please put sunscreen on before you come to class.
