At the Wayzata Community Sailing Center, we provide an opportunity for youth to work together, learning trust, tolerance and respect for one another while learning how to sail. In order to continue providing the highest quality learn-to-sail programs for children and adults, competitive sailing programs at the youth, high school and collegiate level, and provide sailing opportunities for the physically, mentally or economically disadvantaged, we depend on your support. We hope you see the possibilities, share our "**Sailing for Everyone**" vision and will help provide the means for us to grow.
