## **Mike Plant Memorial Fund Scholarship Application**

Wayzata Community Sailing Center  
PO Box 768 ~ Wayzata, MN 55391

The Mike Plant Memorial Fund is named in honor of the world-renowned single-handed sailor Mike Plant. Mike began his sailing career racing on Lake Minnetonka and later became America's premier single-handed sailor racing 60-foot open-class yachts around the world.

Mike's passion for racing across the world's oceans was matched by his enthusiasm for giving young people the confidence to reach for their dreams. To honor that commitment, the Mike Plant Memorial Fund was created to provide sailing experiences for children who would not otherwise have the opportunity to sail. Currently the fund helps out with an annual youth regatta, an inner-city program partnering with other nonprofit organizations, and scholarships for Wayzata Community Sailing Center programs.

There is scholarship money available this year that can be used toward any 2010 Wayzata Community Sailing Center program. The application deadline is April 1, 2010. Please complete the attached form and mail it to Wayzata Community Sailing Center. The selection committee will make their decision based on financial need, and will inform the winning applicants by April 15.
